

Every student who begins secondary school during or after the 1999–2000 school year must complete a minimum of 40 hours of community involvement activities as part of the requirements for an Ontario Secondary School Diploma (OSSD). The purpose of the community involvement requirement is to encourage students to develop awareness and understanding of civic responsibility and of the role they can play and the contributions they can make in supporting and strengthening their communities.

If you are interested in obtaining those hours at our Organization, your enrolment in our Keystone Club and Evening Youth Programs are mandatory.

All youth that attend will learn essential communication skills, problem solving skills, leadership skills, money management skills and conflict resolution skills. Not only will members be participating in these numerous workshops but programming will incorporate the core values of the Keystone program:

- Leadership
- Teamwork
- Healthy Choices
- Service to Club and Community
- Learning for Life
